ArcGIS 9 License Manager Installation
Installation Complete
ArcGIS 9 License Manager Setup has finished copying files to your computer.
Before you can use the applications, you must restart your computer.
Before restarting your computer, insert the hardware key into a parallel port on your system. If the port you wish to use is already in use, insert the hardware key into the port and plug the device's cable into the hardware key.
Yes, I want to restart my computer now.
No, I will restart my computer later.
1
For additional information about the ArcGIS 9 License Manager, see the License Manager Reference Guide located on the CD-ROM, or in the installation\documentation folder.
