IMPORTANT NOTES

1 – Licence

« WinReducer 8 » is freeware and will stay like this for ever.
There are no links to earn money embedded in it.
I'm doing it on my free time, so I will never ask you for something. Please respect this.

Do not try to use it in other way that I programmed it for.

2- External Tools

I'm using external tools to achieve many tasks so, please, if you accept to use « WinReducer 8 » download them from their owners internet site I give you below :

** 7zip =*
http://www.7-zip.org/

** ImageX and Oscdimg =*
http://www.microsoft.com/en-us/default.aspx

** Resource Hacker =*
http://www.angusj.com/resourcehacker/

** SetACL =*
http://helgeklein.com/

For using « WinReducer 8 », you don't need to install them.

3 – Thanks :

I want to dedicated this new version to all of you who are helping me !

Thank you so much guys !!!!!

4 – Donation :

And if you like my work, you could support me with this page :
